

## 17th International Shinson Hapkido Workshop for the 3rd Dan program

2021  
Dojang Aachen

## Dear dan bearers from the 2nd dan upwards

This announcement -like so many things since the beginning of the coronavirus pandemic- is different; and to get straight to a key point: we will not be able to hold the workshop this year on the originally planned weekend of February 12-14. The state of current regulations, as well as past experience about expected regulations and necessary measures make it impossible to hope for a favorable development within the next few weeks.

This decision has not been easy for us. Since the beginnings in 2004, the workshop has been firmly connected to our dojang.

It means a lot to us to be able to host you and to welcome you.

Therefore we have been looking for an alternative and would like to offer you the weekend of April 16 - 18, 2021 as a possible alternative date, in the hope that the situation will develop accordingly.

The course was always a weekend, where not only intensive exercise was in the foreground, but there was also room for fun and time for exchange with each other.

With this in mind we greet you warmly and look forward to your feedback (Email to [info@shinsonhapkido-aachen.de](mailto:info@shinsonhapkido-aachen.de)),

Your Sabomnim Christoff Guttermann  
and the Shinson Hapkido community Aachen
